Hey Sammy:

I hope you enjoyed the remainder of your stay in Chicago and, once again, thank you for marketing with Deutsche Bank.

Since DRL plans on filing its 2004 10-K at some point between now and March 15th, I thought you might considering hosting a conference call subsequent to filing with the SEC. DRL has worked extremely hard in preparing a more comprehensive and transparent document, but while the new disclosure may need less explanation than previous filings you may want to control your destiny. Plus, it will be good practice for your inaugural quarterly conference call in April.

See you on Friday and thank you.

Regards,  
Neil
